Lush. Creative. Flawless.

Lush is a couture floral design company that specializes in weddings and special events. Owner Deitra Butler has more than 15 years of floral design experience. She is known for her beautiful color palettes, rich textures, innovative ideas, attention to detail and flawless installations. Deitra's fun nature puts her clients at ease, enabling them to develop their ideas so that their visions can be made a reality.

Q&A

What motivates you on a daily basis?

Happy clients! I love hearing how much my clients loved my floral designs after their event!

What is your motto or theme song?

“Our talents are the gift that God gives to us... What we make of our talents is our gift back to God.”

—Leo Buscaglia

What place inspires you and why?

Nature, architecture and art inspire me. I feel most inspired when I visit places such as Scotland, which has extraordinary landscapes; London, where the cathedral architecture gives me chills; and art museums.

What do you CRAVE?

Time with my Lord Jesus, love, style, great design, beautiful flowers, great color palettes, chocolate, pumpkin spice lattes, time with friends and family, travel, joy, photography, art, happiness, serenity, and time.
